

## **BET MIDRASH OHEL TORAH**

### **TEXTBOOKS AND REQUIRED MATERIALS**

Bet Midrash Ohel Torah offers a highly specialized program of study in Talmud and related subjects. All textbooks are readily available for use on open stacks in the study hall and school library. Students who wish to purchase their own copies of the texts studied may purchase them from one of the Judaic bookstores stores in the area.

Many students prefer to have their own Gemara and a Kovetz Miforshim which cost between \$35 and \$55, depending on the publisher and edition. Most texts used in the program are reprints of the Talmud and other classical texts that do not have ISBN numbers.
