

## **BET MIDRASH OHEL TORAH**

### **TRANSFER OF CREDIT POLICY**

Credits may be granted, at the discretion of the Yeshiva, for study and courses taken at another accredited postsecondary institution of Talmudic Studies providing the following conditions are met:

- The credits transferred must be based on course work similar in content, style and academic rigor to the one offered at the Yeshiva.
- The student must have achieved a grade that would have enabled him to pass a similar course at the Yeshiva.
- All credits must be properly documented.
- Transfer credits accepted are counted toward both the number of attempted credits and the number of credits earned by the student.

Knowledge, experiences, and prior enrollment in courses related to the field of Talmudic Studies may be eligible for transfer credits as prior learning experience. These credits are assessed when the student is admitted to Bet Midrash Ohel Torah.

To earn a Bachelor of Talmudic Studies Degree at Bet Midrash Ohel Torah, students must fulfill a minimum academic residency requirement of 90 credits earned at Bet Midrash Ohel Torah.

To earn an Associate of Talmudic Studies Degree at Bet Midrash Ohel Torah, students must fulfill a minimum academic residency requirement of 30 credits earned at Bet Midrash Ohel Torah.

Bet Midrash Ohel Torah does not have any articulation agreements with regard to whether the Yeshiva will accept credits from other institutions nor with regard to whether other institutions accept the Yeshiva's credits. Before enrolling in the institution, students should be sure that their attendance will help them reach their educational goals.

Please be advised that the transferability of credits and acceptance of the degrees earned at Bet Midrash Ohel Torah are at the complete discretion of an institution to which a student may seek to transfer. If the credits or the degrees earned at this institution are not accepted at the institution to which a student seeks to transfer, he may be required to repeat some or all of the coursework at that institution.
